

Disclaimer

This confidential briefing does not constitute a solicitation for an investment to any person, partnership, corporation, fund or other entity and is not intended and does not constitute an offering of securities, which can only be made by the delivery of a confidential private placement memorandum and/or subscription material, including all risk factors contained therein and/or disclosed by an authorized representative of the company or its broker(s). It is not intended that any person or entity rely on the information contained herein in deciding whether or not to make an investment. All interested parties must execute and return a non disclosure agreement or non competition and non disclosure agreement acceptable to the company and if accepted by the company may then provide access to risk factors, company digital data and confidential memorandum information regarding business plans, detailed marketing, fuels, biographies, financial projections, litigation, ownership and/or confidential information related to risk factors or disclosures referred to above. Interested parties or their representatives or agents after execution and acceptance of NDA or NDNC by company are urged to visit the company or projects and to meet management to ask questions regarding business, projects, risks and related matters.

The shares of the company described herein will not be registered under the securities act of 1933, as amended (the “act”), or the securities laws of any state and will be offered in reliance on exemptions from the registration requirements of the act and such other laws. When offered, the interests will not have been approved or disapproved by the securities regulatory authority of any state or by the United States securities and exchange commission, nor will any authority or commission have passed upon the accuracy or adequacy of company materials, all of which will not constitute an offer or solicitation in any state or in any other jurisdiction in which such an offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so, or to a person to whom it is unlawful to make such an offer or solicitation. Any representation to the contrary is unlawful. Any investment in the company would involve significant risk due to, among other things, the illiquid and speculative nature of such an investment. Investors must be able to withstand a total loss of their investment. There is no public market for the stock of the company and such interests may not be readily transferable.

This confidential briefing contains information that has been compiled, by the company, from sources believed to be reliable; however, there can be no guarantee as to the accuracy or completeness of such information. It also contains statements, estimates and projections made by the company with respect to the company's or projects historical and projected performance. There can be no assurance that such statements, estimates and projections will be realized and actual results may vary materially from those indicated. Further, in any case, the investment bankers for the company and other representatives make no representations as to the reasonableness of such assumptions or the accuracy or completeness of the information contained herein. Information contained in these materials is the proprietary property of the company, or otherwise constitutes confidential information. These materials are for the confidential use of only those persons to whom it is transmitted. This briefing covers matters only suitable for parties in the united states who are either accredited investors or institutional investors or strategic partner candidates.
